## LEGISLATIVE ASSEMBLY.

## PRIVATE BILLS.

## EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

## RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not

been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring  $10\frac{3}{4}$  inches by  $7\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Dated 5th November, 1901.

"COMPANIES ACT, 1897."

## CERTIFICATE OF INCORPORATION.

I HEREBY CERTIFY that the "British Columbia Power and Manufacturing Company, Limited," has this day been incorporated under the "Companies Act, 1897," as a Limited Company, with a capital of twenty-five thousand dollars, divided into two hundred and fifty shares of one hundred dollars each.

Given under my hand and seal of office at Victoria, Province of British Columbia, this 2nd day of April, one thousand nine hundred and three.

[L.S.]

S. Y. WOOTTON,

*Registrar of Joint Stock Companies.*

The following are the objects for which the Company has been incorporated:—

(1.) To carry on the business of iron-founders, mechanical engineers and manufacturers of mining and agricultural machinery and other implements, tool-makers, brass-founders, metal-workers, boiler-makers, millwrights, machinists, iron and steel converters, smiths, woodworkers, builders, painters, metallurgists, electrical engineers, water supply engineers, gas-makers, and to buy, sell, manufacture, repair, convert, alter, let on hire and deal in machinery, implements, rolling-stock and hardware of all kinds, and to carry on any other business which may seem to the Company capable of being conveniently carried on in connection with the above or otherwise calculated directly, or indirectly, to enhance the value of any of the Company's property and rights for the time being:

(2.) To carry on any business relating to the winning and working of minerals, the production and working of metals, and the production, manufacture, and preparation of any other materials which may be usefully or conveniently combined with the engineering or manufacturing business of the Company, or any contracts undertaken by the Company, and either for the purpose only of such contracts or as an independent business:

(3.) To undertake and execute any contracts for works involving the supply or use of any machinery, and to carry out any ancillary or other works comprised in such contracts:

(4.) To search for, prospect, examine, explore and develop mines and ground supposed to contain minerals and precious metals, and to purchase, lease or otherwise acquire mines and mining rights, and to carry on the business of mining, and to erect and operate smelters and to purchase ores:

(5.) To acquire by purchase, lease, licence or otherwise from the Government of the Province or from private individuals lands and growing timber:

(5A) To carry on the business of electricians, mechanical engineers and suppliers of electricity for the purposes of light, heat, motive power or otherwise, and manufacturers and dealers in all apparatus and things required for or capable of being used in connection with the generation, distribution, supply and employment of electricity:

(6.) To manufacture timber and lumber of all descriptions and in all forms, to erect mills for that purpose, and to purchase and sell logs and lumber:

(7.) To manufacture paper pulp and paper, and to erect mills for that purpose:

(8.) To acquire water and water power by records of unrecorded water, or by the purchase of water records or water privileges for, and the application of such water and water power to all or any of the purposes and in any of the manners and methods following:—

(a.) For rendering water and water power available for use, application and distribution, by erecting dams, increasing the head of water in any existing body of water, or extending the area thereof, diverting the waters of any stream, pond or lake into any other channel or channels; laying or erecting any line of flume, pipe or wire; constructing any race-way, reservoir, aqueduct, weir, wheel, building, or other erection or work which may be required in connection with the improvement and use of the said water and water power, or by altering, renewing, extending, improving, repairing or maintaining any such works, or any part thereof:

(b.) The use of water or water power for milling, manufacturing, industrial and mechanical purposes other than the generation of electricity:

(c.) The use of water or water power for producing any form of power, or for producing and generating electricity for the purposes of light, heat and power, and for constructing, operating and maintaining electric works, power houses, generating plant, and such other appliances and conveniences as are necessary and proper for the generating of electricity or electric power, and for transmitting the same to be used by the Company, or by persons, companies and corporations contracting with the Company therefor, as a motive power for the operation of motors, machinery or electric lighting, or other works; or to be supplied by the Company to consumers for heating, or as a motive power for propelling tramways, or for driving, hauling, lifting, pumping, lighting, crushing, smelting, drilling and milling; or for any other operations to which it may be adapted, or to be used or supplied for or in connection with any other purposes for which electricity or electric power may be applied or required; placing, sinking, laying, fitting, maintaining and repairing electric lines, accumulators, storage batteries, cables, mains, wires, pipes, switches, connections, branches, electric motors, dynamos, engines, machines or other apparatus or devices, cuts, drains, water-courses, pipes, poles, buildings, and other erections and works; and erecting and placing any electric line, cable, main, wire, or apparatus above or below ground; constructing, equipping, operating and maintaining electric cable or other tramways or street railways for the conveyance of passengers and freight; constructing, equipping, operating and maintaining telegraph and telephone systems and lines; the supplying of compressed air, electricity and electric power to consumers, for any purposes to or for which compressed air or electric power may be applied or required:

(9.) To engage in the making and manufacture of rope, twine, string, and to erect factories for the purpose:

(10.) To make, manufacture, construct and build any and all kinds of vehicles to be propelled by electric, steam, gasoline, compressed air, animal or other motive power; and to operate, maintain, let, lease and hire the same for gain or reward:

(11.) To engage in fishing and in the curing and canning of fish:

(12.) To construct an hotel and carry on an hotel business:

(13.) To construct a laundry and carry on a laundry business:

(14.) To carry on a general mercantile business:

(15.) To carry on any other business which may seem to the Company capable of being conveniently carried on in connection with the above, or calculated directly or indirectly to enhance the value of or render profitable any of the Company's property or rights:

(16.) To acquire and undertake the whole or any part of the business, property and liabilities of any person or company carrying on any business which this Company is authorised to carry on, or possessed of property suitable for the purpose of this Company:

(17.) To enter into any agreements for sharing profits, union of interests, co-operation, joint adventure, reciprocal concession or otherwise with any person or company carrying on or engaged in any business or transaction which this Company is authorised to carry on or engage in, or any business or transaction capable of being conducted so as directly or indirectly to benefit this Company; and to lend money to, guarantee the contracts of, or otherwise assist any such person or company, and to take or otherwise acquire shares and securities of any such Company, and to sell, hold, re-issue with or without guarantee, or otherwise deal with the same:

(18.) To apply for, purchase, or otherwise acquire, any patents, brevets d'invention, licences, concessions, and the like, conferring any exclusive or non-exclusive, or limited right to use, or any secret or other information as to any invention which may seem capable of being used for any of the purposes of the Company, or the acquisition of which may seem calculated, directly or indirectly, to benefit this Company, and to use, exercise, develop or grant licences in respect of, or otherwise turn to account the property, rights or information so required:

(19.) To enter into any arrangements with any Governments or authorities, supreme, municipal, local or otherwise, that may seem conducive to the Company's objects or any of them, and to obtain from any such Government or authority any rights, privileges and concessions which the Company may think it desirable to obtain, and to carry out, exercise and comply with any such arrangements, rights, privileges and concessions:

(20.) Generally to purchase, take on lease, or in exchange, hire, or otherwise acquire any real and personal property, and any rights or privileges which the Company may think necessary or convenient for the purposes of its business, and in particular any land, buildings, easements, machinery, plant and stock-in-trade :

(21.) To construct, maintain and alter any buildings, wharves or warehouses or stores, and other works necessary or convenient for the purposes of the Company :

(22.) To obtain any Provisional Order or Act of Parliament for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution, or for any other purpose which may seem expedient, and to oppose any proceedings or applications which may seem calculated, directly or indirectly, to prejudice the Company's interests :

(23.) To remunerate, either in cash or shares of the Company, any person or company for services rendered, or to be rendered, in placing or assisting to place, or guaranteeing the placing of any of the shares in the Company's capital, or any debentures or other securities of the Company, or in or about the formation of the Company :

(24.) To pay for any property, rights or privileges acquired by or services rendered by its employees or other persons to the Company, either wholly or partially in shares or other securities of the Company :

(25.) To sell or dispose of the undertaking of the Company, or any part thereof, for such consideration as the Company may think fit, and in particular for shares, debentures or securities of any other company having objects altogether or in part similar to those of this Company :

(26.) To borrow or raise, or secure the payment of money in such manner as the Company shall think fit, and in particular by the issue of debentures or debenture stock, perpetual or otherwise, charged upon all or any of the Company's property (both present and future), including its uncalled capital, and to redeem or pay off any such securities :

(27.) To receive any moneys on deposit, at interest, and to draw, make, accept, indorse, discount, execute and issue promissory notes, bills of exchange, bills of lading, warrants, debentures and other negotiable or transferable instruments :

(28.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account, or otherwise deal with all or any part of the property and rights of the Company :

(29.) To do all such things as may be incidental or conducive to the attainment of the above objects. ap9

#### "COMPANIES ACT, 1897."

#### CERTIFICATE OF INCORPORATION.

I HEREBY CERTIFY that the "Letson & Burpee, Limited," has this day been incorporated under the "Companies Act, 1897," as a Limited Company, with a capital of one hundred and fifty thousand dollars, divided into fifteen hundred shares of one hundred dollars each.

The time of the existence of the Company is fifty years.

Given under my hand and seal of office at Victoria, Province of British Columbia, this 11th day of April, one thousand nine hundred and three.

[L.S.] S. Y. WOOTTON,  
*Registrar of Joint Stock Companies.*

The following are the objects for which the Company has been incorporated:—

(a.) To acquire and take over as and from the 1st day of April, 1903, the business now carried on by J. M. K. Letson and Frank W. Burpee, at the City of Vancouver, in the Province of British Columbia, under the firm name of "Letson & Burpee," as machine manufacturers, and to adopt and carry into effect, with or without modification, an agreement, which has already been entered into between them and David Stevenson Wallbridge, as Trustee for this Company, and to carry on the said business and any other business whatsoever which the Company may desire or may consider capable of being conveniently carried on in connection with said business:

(b.) To purchase, take on lease or otherwise acquire and hold any lands, rights of way, shops, factories, yards, buildings, machinery, plant, stock-in-trade and other real and personal property, and to equip, operate, use and turn the same to account, and to sell, lease, sub-let or otherwise dispose of the same or any part thereof or any interest therein:

(c.) To manufacture mining, milling, marine, dredging, salmon canning (in all its branches), and other machinery, and generally to carry on the business of mechanical engineers, machinists, boiler-makers, blacksmiths, iron and brass founders and pattern makers in all branches:

(d.) To act as agents and importers for the sale of machinery and engineering supplies of all kinds:

(e.) To build and repair steam-boats and other vessels:

(f.) To use steam, water, electricity or any other power as a motive power or otherwise:

(g.) To acquire, hold, buy, sell, lease or mortgage any lands or premises required for the purposes of the Company:

(h.) To erect, build and maintain buildings, warehouses, workshops, sidings, shipways, wharves and other works:

(i.) To undertake and carry into effect all such financial, trading or other operations or businesses in connection with the objects of the Company as the Company may think fit:

(j.) To apply for, purchase, or otherwise acquire, and to use and grant licences in respect of, or otherwise turn to account, any patents, brevets d'invention, licences, concessions, and the like, conferring an exclusive or non-exclusive or limited right to use, or any secret or other information as to any invention which may seem capable of being used for any purposes of the Company, or the acquisition of which may seem calculated, directly or indirectly, to benefit this Company:

(k.) To acquire and carry on all or any part of the business or property, and to undertake any liabilities of any person, firm or corporation possessed of property suitable for the purposes of this Company, or carrying on any business which this Company is authorised to carry on, or which can be conveniently carried on in connection with the same, or may seem to the Company calculated directly or indirectly to benefit the Company, and as the consideration for the same to pay cash or to issue any shares, stocks or obligations of this Company:

(l.) To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concessions or otherwise, with any person, firm or corporation carrying on, or engaged in, or about to carry on or engage in, any business or transaction which this Company is authorised to carry on or engage in, or any business or transaction capable of being conducted so as to directly or indirectly benefit this Company; and to lend money to, guarantee the contracts of, or otherwise assist, any such person, firm or corporation; and to take or otherwise acquire shares and securities of any such person, firm or corporation, and to sell, hold, re-issue, with or without guarantee, or otherwise deal with the same:

(m.) To sell and dispose of the undertaking of the Company or any part thereof for such consideration as the Company may think fit, and either for cash or on such terms as the Company may deem advisable, or for shares, debentures or securities of any other company having objects altogether or in part similar to those of this Company:

(n.) To promote any company or companies for the purpose of acquiring all or any of the property and liabilities of this Company, or for any other purpose which may seem directly or indirectly calculated to benefit this Company:

(o.) To lend or invest the moneys of the Company not immediately required, and to make advances for the purposes of this Company, on stock, shares and other securities, and on property of all kinds, and in such manner as may from time to time be determined:

(p.) To borrow or raise money for any purpose of the Company, and for the purpose of securing repayment of the same and the interest thereon (if any), or for any other purpose, to mortgage or charge the undertaking or all or any part of the property of the Company, present or after acquired, and its uncalled capital, and to create, issue, make, draw, accept and negotiate perpetual or redeemable debenture stock, promissory notes, bills of exchange, bills of lading, warrants, obligations and other negotiable and transferable instruments:

(q.) To enter into any arrangement with any Government (Dominion or Provincial), or any authority, municipal, local or otherwise, that may seem conducive to the Company's objects or any of them, and to obtain from any such Government or authority any rights, privileges and concessions which the Company may think it desirable to obtain, and to carry out, exercise and comply with or, if deemed advisable, dispose of any such arrangements, rights, privileges and concessions:

(r.) To obtain any Act of Parliament or Legislature for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution, or for any other purpose that may seem expedient, and to oppose any proceedings or applications which may seem calculated, directly or indirectly, to prejudice the Company's interests:

(s.) To apply for, accept, take, hold and sell, dispose of and deal with shares, stocks, bonds, debentures, obligations or other securities of any other company, person or firm:

(t.) To distribute any of the property of the Company among the members thereof in specie:

(u.) To pay out of the funds of the Company all expenses of or incidental to the formation, registration and advertising of the Company, and to remunerate any person or company for services rendered or to be rendered in placing or assisting to place, or in guaranteeing the placing of any shares in the Company's capital, or any debentures or other securities of the Company, or in or about the formation or promotion of the Company, or the conduct of its business:

(v.) To sell, improve, manage, develop, exchange, lease, mortgage, dispose of, turn to account or otherwise deal with the undertaking, or any part of the property and rights of the Company (including the granting of powers to work patents of the Company upon any terms), with power to accept as the consideration therefor any shares, stocks or obligations of any other company:

(w.) To procure the Company to be registered or recognised in any other Province or Provinces of the Dominion of Canada or elsewhere, and to carry on business in such other Province or Provinces and elsewhere:

(x.) To do all other acts and things which may be deemed to be in any way expedient, necessary, incidental or otherwise conducive to the attainment of all or any of the above objects. ap16

## EXTRA-PROVINCIAL COMPANIES.

No. 219.

CERTIFICATE OF THE REGISTRATION OF AN  
EXTRA-PROVINCIAL COMPANY.

"COMPANIES ACT, 1897."

I HEREBY CERTIFY that I have this day registered "The North Columbia Gold Mining Company" as an Extra-Provincial Company under the "Companies Act, 1897," to carry out or effect all or any of the objects hereinafter set forth to which the legislative authority of the Legislature of British Columbia extends.

The head office of the Company is situate at Huron, in the County of Beadle, State of South Dakota.

The amount of the capital of the Company is five hundred thousand dollars, divided into five hundred thousand shares of one dollar each.

The head office of the Company in this Province is situate at Atlin, B. C., and Julius M. Ruffner, whose address is Atlin, B. C., is the attorney for the Company.

The time of the existence of the Company is 20 years.

Given under my hand and seal of office at Victoria, Province of British Columbia, this 15th day of April, one thousand nine hundred and three.

[L.S.]

S. Y. WOOTTON,  
*Registrar of Joint Stock Companies.*

The following are the objects for which the Company has been established :—

To do any and all the things set forth herein to the same extent as natural persons might or could do, and in any part of the world, as principals, agents, trustees or otherwise, and in furtherance and not in limitation of the general powers conferred by the laws of the State of South Dakota.

The corporation shall have also the following powers, viz. :—

(1.) To secure, purchase, take, buy, own, discover, acquire by concessions, grant or otherwise, any mining prospects, mining claims, mining rights, mining lands, mines, mineral rights, timber rights, water rights, buildings, dwellings, easements, rights and privileges, plants, machinery, tools and other properties whatsoever, which this corporation may, from time to time, find to be for its advantage and purposes :

(2.) To search for minerals and ores ; to explore, work, develop, and mine in leased or owned properties or mines :

(3.) To mine, quarry, smelt, refine ores, metals and minerals of all kinds, and to carry on such other business operations as may be necessary for the corporation's best interests :

(4.) To purchase, sell, manufacture and deal in ores, minerals, mining plants, mining machinery, machines, tools, provisions and miners' supplies :

(5.) To survey, build, construct, repair, manage, control and maintain roadways, tramways, private railways, water-courses for private uses, reservoirs, bridges, mills, smelters, works, warehouses, stores, and such other adjuncts and improvements as may seem advantageous to the best interests of the corporation :

(6.) To hold, purchase, or otherwise acquire, to sell, assign, transfer or mortgage, pledge or otherwise dispose of, shares of the capital stock or other evidences of indebtedness created by other corporations or corporation, and while owner of such stock, to exercise all the rights and privileges of ownership, including the right to vote thereon to the same extent as natural persons might or could do :

(7.) To issue bonds and secure the same by way of pledges or deeds of trust, or mortgages of or upon the whole or any part of the property held by the company, and to sell or pledge such bonds for proper corporate purposes as and when the Board of Directors may determine :

(8.) To sell, lease or otherwise dispose of the real or personal property of the company :

(9.) To carry on business in any other state, or in any part of the world, and to hold meetings, transact business, and keep such books as may be necessary, outside of the State of South Dakota ; providing, however, that such power gives nothing inconsistent with the general laws of the State of South Dakota.

## DOMINION ORDERS IN COUNCIL.

[Ref. 767,794.]

AT THE GOVERNMENT HOUSE AT OTTAWA,

Tuesday, the 17th day of March, 1903.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

ON a Memorandum dated 9th March, 1903, from the Minister of the Interior, submitting that on the 20th day of August, 1902, an Order in Council was passed authorising the amendment of clause 13 of the Regulations for the survey, administration, disposal and management of Dominion Lands within the Railway Belt in British Columbia, so as to permit any person who would be entitled to a second homestead entry similar to the law affecting such entries in Manitoba and the North-West Territories to exercise that privilege within the said Railway Belt in British Columbia.

The Minister states that cases have arisen where settlers cannot comply with this amendment and are debarred from taking advantage of this privilege.

The Minister therefore recommends that in such cases he be given power to sell the land not exceeding

160 acres at the rate of \$1.00 per acre, subject to Homestead conditions, the patent not to issue until these conditions have been performed to the satisfaction of the Commissioner of Dominion Lands.

The Committee submit the same for approval.

## VANCOUVER CITY BY-LAWS.

BY-LAW No. 445.

*A By-Law to amend By-Law No. 142 and Amending By-Laws*

WHEREAS it is deemed expedient in the interests of the City that the said by-laws should be amended to permit lamps, lights and signs, illuminated by electricity or gas, to be erected in the City under certain conditions:

Be it therefore enacted by the Mayor and Council, in open meeting assembled, as follows:—

1. By-Law No. 142 is hereby amended by inserting at the end of the ninth clause thereof, the following:—  
“And excepting lamps or signs illuminated by gas or electricity, which must be at least ten feet above the sidewalk, and before being erected first approved as to the materials thereof, lighting, design, fixtures, construction and method of attaching to the wall or building, by the City Engineer, and the owner of the building to which the proposed projection is to be attached, having first entered into any agreement indemnifying the City against any claims, actions or demands that might be made against the City by any person or body corporate by reason of the projection having been erected and maintained.”

Done and passed in open Council this 14th day of April, A.D. 1903.
